City reopens Carlson Dog Park

RIVERSIDE, Calif. – Canines citywide will have reason to howl at the Carlson Dog Park reopening at 4700 Buena Vista Ave., from 9 a.m. to noon, Saturday.

The dog park has undergone a complete renovation, including the restoration of the historic balustrade and a reconfiguration of the parking lot. The park features new amenities such as the puppy play area, dog waste stations, agility equipment and dog-watering stations.

The 9 a.m. opening ceremony features comments from Ward 1 Councilmember Mike Gardner, as well as vendor booths for vaccinations, adoptions, grooming and training. There will also be exhibitions of dog agility and training. The canine set will receive free toys and treats, which they can take home in a doggy bag.

For more information, call the city parks department at 826-2000.
